Docket #92-235

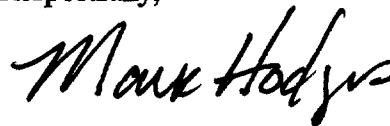

Gentlemen:

This letter is to inform you of our strong objection to your proposed replacement of part 90 by part 88 to revise Private Land Mobile Radio Services and modify the policy governing them. (F.C.C. Docket #92-235)

We are a volunteer organization devoted to public service in our community. As such we supply our own Mobile Radio equipment. The proposed rule change would cause us severe economic hardship and could adversely impact our ability to provide these much needed services.

In view of the above we respectfully request you forego the proposed rule change and seek a more favorable solution.

Respectfully,

Chief Mark Hodges
Caney Volunteer Fire Department
